Read Galatians 6:3-9 and the study note for 👍 Galatians 6:9. The Bible shares that the only thing that is good is God. The saying goes “God is good all the time...and all the time, God is good!” When we do good, and recognize God in those moments, the reason we are doing good is because of the One who is good. Share some moments in your life where you knew that God was present, and working good for you in your life.

At times, we get tired of doing good things (verse nine). It is as if no one notices. Now share a moment or moments, even if you found your self exhausted, when you were working for the good of God.

Read Galatians 6:10. Who should we be doing these good, or Godly things to and for according to this verse?

Read Galatians 6:11-18. In the very end, Paul writes to us all about grace. According to the verse and the study note on 🤔 Galatians 6:18, where should we see the evidence of this grace in our lives?
